She's No You

Jesse Mccartney

They got a lotta girls Who know they got it going on But nothing's ever a comparison to you Now can't you see that your the only one I really want And everything I need Is everything you do?

Any girl walk by, don't matter 'Cause your looking so much better Don't ever need to get Caught up in jealousy She could be a super-model Every magazine... the cover She'll never, ever mean a thing to me...

She's no you... oh, no You give me more than I could ever want She's no you... oh, no I'm satisfied with the one I've got 'cause your all the girl That I've ever dreamed She's only a picture on a magazine She's no you... she's no you

They got a lot of girls Who dance in all the videos But I prefer the way you do, The way you move You're more than beautiful And I just wanna let you know That all I ever need Is what I've got with you

Any girl walk by, don't matter Every time your looking better I think your perfect There ain't nothing I would change She could be a super-model Every magazine... the cover She'll never, ever take my heart away

No one's ever gonna get to me Oh, the way you do Now baby can't you see That you're the one... the only one Who's ever made me feel this way?

Nothings ever coming even close No one's ever been comparable to you

I don't want nothing I don't got I don't need nothing but you I can't get more than you give me Don't stop anything you do. Your all that... all that, and then some You know what... just what I need And no girl, no place and no where Could mean a thing to me.

She's no you... oh, no You give me more than I could ever want She's no you... oh, no I'm satisfied with the one I've got 'cause your all the girl That I've ever dreamed She's only a picture on a magazine She's no you... she's no you
