

# That Was Then

Jesse McCartney

Guess you never really know just what you've got  
'till you finally realize she could be gone  
I know that I've been taking you for granted  
For the longest time

All you wanted was someone who really cared  
And I didn't even notice you were there  
I promise that I'll never ever make that same mistake  
Not twice ...

That was then ... this is now  
Took some time to come around  
All I wanna do ...

Is try again ... show you how  
I know that it's all about  
Giving attention to you

I was a fool for way to long  
What you wanted, I could not see  
That was then ... this is now  
Took some time to figure out  
Love is all you need

Guess I never really thought about it before  
I was thinking of myself and nothing more  
Didn't even wanna try to find out  
How you really feel (how you really feel)

Now I see that I'm the lucky one, it's true  
And what we've got you know I never want to lose  
'cause I was tripping in a fantasy ...  
And missing what was real

That was then ... this is now  
Took some time to come around  
All I wanna do ...

Is try again ... show you how  
I know that it's all about  
Giving attention to you

I was a fool for way to long  
What you wanted, I could not see  
That was then ... this is now  
Took some time to figure out  
Love is all you need

I used to be someone  
Who only really thought about themselves  
And no one else, and you could tell baby(yeah, yeah)  
But that's before I understood  
That when you've got something this good  
Gotta let her know ...  
And I want you to know

You're always my priority

And I wanna give you more than all the love you need  
Took a little time ...  
But now you know I finally see  
That you're my world(yeah)

I never want our love to fade ready, willing ...  
And I'm gonna do whatever it takes  
No, I'm never gonna let it all slip away  
'cause you're my girl(yes you are)

That was then ... this is now  
Took some time to come around  
All I wanna do ...

Is try again ... show you how  
I know that it's all about  
Giving attention to you

I was a fool for way to long  
What you wanted, I could not see  
That was then ... this is now  
Took some time to figure out  
Love is all you need  
You're always my priority  
And I wanna give you more than all the love you need  
Took a little time ...

Giving attention to you

I was a fool for way to long  
What you wanted, I could not see  
That was then ... this is now  
Took some time to figure out  
Love is all you need

Coming around  
And ready to show you how  
I'm gonna change girl  
(yeah oh,oh,oh)
