

## Mary Ann

Jessi Colter

Well now, oh Mary Ann  
You know you sure look fine  
Well now oh  
You know you sure look fine  
Well now oh Mary Ann  
I could love you all the time

Well now, oh Mary Ann  
I said, baby, don't you know  
Well now oh  
Well now, baby, don't you know  
Don't you know, baby  
That I love you so

Oh, well now oh  
Let's talk about it  
Easy, ooh

Oh, Mary Ann  
Can I take you home tonight?  
Oh baby  
Can I take you home tonight?  
If you let me be  
I'll make everything all right
