

Too Many Rivers

Jessi Colter

I wish I could come back to you dear cause
I know that you want me to

But too much water has run under that old bridge
There's too many rivers between me and you

There's too many rivers to cross dear
too many dreams have been lost

And there's too many long nights that I've turned and tossed
There's too many rivers to cross

Now don't think for a moment that I blame only you
We both killed the fruit on the vine

And when you try to put love back together
There's always a few little pieces that you can't find

too many rivers to cross dear

too many dreams have been lost

And there's too many long nights that I've turned and tossed
There's too many rivers to cross

too many rivers to cross dear

too many dreams have been lost

And there's too many long nights
