

Letting Go

Jessica Harp

My phone rings and my machine picks up
How many times is that today?
That you've called me just to say hello
And I say I'm doing okay

I missed you, now I don't
I gave in, now I won't
I loved you, now I can't
Put my heart through all that again

Sometimes gone is really gone
Sometimes baby people just move on
And letting go means letting go
And I did, but you won't, let go

No I haven't found somebody else
Maybe I'm not ready yet
But I'm not saying that I want you back
That's the past, please understand

I missed you, now I don't
I gave in, now I won't
I loved you, now I can't
Put my heart through all that again

Sometimes gone is really gone
Sometimes baby people just move on
And letting go means letting go
And I did, but you won't, no you won't

I missed you, now I don't
I gave in, now I won't
I loved you, now I can't
Put my heart through all that again
