

## Ave Maria

Jessica Sanchez

She was lost  
In so many different ways  
Out in the darkness with no guide  
I know the cost of a losing hand  
Never for the grace of God  
Oh I. I found heaven on earth  
You are my last my first  
And then I hear this voice inside  
Ave Maria

I've been alone  
When I'm surrounded by friends  
How could the silence be so loud  
But I still go home knowing that I've got you  
There's only us when the lights go down

You are my heaven on earth  
You are my hunger my thirst  
I always hear this voice inside  
Singing Ave Maria

Sometimes love can come and pass you by  
While you're busy making plans  
Suddenly hit you and then you realize  
It's out your hands  
Baby you got to understand

You are my heaven on earth  
You are my last my first  
And then I hear this voice inside  
Ave Maria
