

Jump In

Jessica Sanchez

Now's the time
Can't make it wait
It's your life
Don't hesitate

Live it more
It can be great

(Jump in)
Don't waste your time, your time
(Jump in)
Just live your life, your life
(Jump in)
Don't waste your time, your time
(Jump in)
Just live your life, your life

Jump into the future
Jump into a new day
Jump into the new you
Jump into a new way

Jump into a new life
Jump in in things that you like
It's time for you to be brave
And jump into a new place

Jump, jump, jump, jump
Jump into life
Jump, jump, jump, jump
Jump into love
Jump, jump, jump, jump
Everybody jump into life

Jump in, jump in, sabay-sabay
Up in the sky, taas kamay
Walang kasing lakas-lakas
So take a leap and jump with us
Take this trip, come ride with us
It's your time, don't hesitate
It's your life, it can be great

Now's the time
Can't make it wait
It's your life
Don't hesitate

Live it more
It can be great

(Jump in)
Don't waste your time, your time
(Jump in)
Just live your life, your life
(Jump in)
Don't waste your time, your time
(Jump in)

Just live your life, your life

Jump into the future
Jump into a new day
Jump into the new you
Jump into a new way

Jump into a new life
Jump in in things that you like
It's time for you to be brave
And jump into a new place

Jump, jump, jump, jump
Jump in
Jump, jump, jump, jump
Jump in
Jump, jump, jump, jump
Jump in
Jump, jump, jump
Everybody jump into life

Jump, jump, jump, jump, jump, jump
(Jump in)
Jump, jump, jump, jump, jump, jump
(Jump in) Jump into life
Jump, jump, jump, jump, jump, jump
(Jump in)
Jump, jump, jump, jump, jump, jump
(Jump in) Jump into life

Jump, jump, jump, jump, jump, jump

Everybody jump into life
