

# Stronger Together

Jessica Sanchez

It's been raining, it's been storming  
Pouring on us way too long  
And we're at that point of breaking  
So we must keep holding on

We gotta be strong for each other  
We must be there for each other  
We gotta care if we wanna be free  
We gotta raise up our voices  
Stand up and make the right choices  
So we can be what we know we can be

Don't you know that we are stronger together  
Stronger, yes we are  
We're so much more when we're united together  
One mind, one soul, one heart

Come on, yeah  
Come on, yeah

We're united in the spirit  
There'll be better days to come  
If you reach out, you can feel it  
Cause it's there for everyone

Don't you know that we are stronger together  
Stronger, yes we are  
We're so much more when we're united together  
One mind, one soul, one heart

Don't you know that we are stronger together  
Stronger, yes we are  
We're so much more when we're united together  
One mind, one soul, one heart

This song is for the doubters and the shouters in the world  
We're not buying what you're trying to sell  
Love is so much greater than the haters in the world  
It's for one, for all, ah, come on

Don't you know that we are stronger together  
Stronger, yes we are  
We're so much more when we're united together  
One mind, one soul, one heart

Don't you know that we are stronger together  
Stronger, yes we are  
We're so much more when we're united together  
One mind, one soul, one heart

Everybody  
Everybody

We know we're stronger together  
Together, we're stronger together  
Stronger together we are  
We know we're stronger together

Together, we're stronger together  
Stronger together we are

We know we're stronger together  
Together, we're stronger together  
Stronger together we are  
And we get stronger and stronger  
And better and better and better  
Stronger together by far
