

Tonight ft. Ne-Yo

Jessica Sanchez

It seems like every day is something else
Another reason to be stressing
And you wanna run away, said you just wanna run away
You try to get out and enjoy yourself
But everybody's wack, it's so depressing
And you wanna run away, yeah, said you just wanna run away

Though we 'bout to hop up on this rocket
Get up outta here
Go somewhere where nothing ever goes wrong
'Bout to hop up on this rocket
Take to the sky
Everything is fine

'Cause we ain't even on Earth tonight
We on a planet where the dudes got money and they're not afraid to spend it
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-oh
'Cause we ain't even on Earth tonight
We on a planet where there ain't no drama and the party's never ending
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-oh

It seems like every day is something else
Another reason to be stressing
And you wanna run away, said you just wanna run away
You try to get out and enjoy yourself
But everybody's wack, it's so depressing
And you wanna run away, (oh oh), said you just wanna run away

Though we 'bout to hop up on this rocket
Get up outta here
Go somewhere where nothing ever goes wrong
'Bout to hop up on this rocket
Take to the sky
Everything is fine

'Cause we ain't even on Earth tonight
We on a planet where the dudes got money and they're not afraid to spend it
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-oh
'Cause we ain't even on Earth tonight
We on a planet where there ain't no drama and the party's never ending
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-oh

'Cause we ain't even on Earth tonight
Pretty baby, babe
No oh-oh-oh
'Cause we ain't even on Earth tonight
Oh oh-oh

And we'll be dancing through the morning's, right.
Grab my girls from Venus, grab your boys from Mars
And we'll get away, go somewhere and just get right

'Cause we ain't even on Earth tonight
We on a planet where the dudes got money and they're not afraid to spend it
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-oh
'Cause we ain't even on Earth tonight
We on a planet where there ain't no drama and the party's never ending

Hey-oh, Hey-oh, and everything is alright, hey-oh hey-oh
