

Angels

Jessica Simpson

I sit and wait, does an angel contemplate my fate
And do they know the places where we go
When we're gray and old, 'cause I've been told
That salvation lets their wings unfold

So when I'm lyin' in my bed
Thoughts runnin' through my head
And I feel that love is dead
I'm lovin' angels instead

And through it all
He offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, he won't forsake me
I'm lovin' angels instead

When I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love

And as the feeling grows
He breathes flesh to my bones
And when the love is dead
I'm lovin' angels instead

And through it all
He offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, he won't forsake me
I'm lovin' angels instead

I'm lovin' angels instead
Oh, oh yeah

And through it all
He offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, he won't forsake me
I'm lovin' angels instead
