

Merry Christmas Baby

Jessica Simpson

Merry Christmas, baby
You sure did treat me nice
Well, I said merry Christmas, baby
You sure did treat me nice, yes she did

You gave me a diamond ring for Christmas
And now I'm living in paradise

I said merry, merry Christmas, baby
You sure did treat me nice, yeah
I said merry, merry Christmas, baby
You sure did treat me nice, yes you did, oh

You gave me a diamond ring for Christmas
And now I'm living, living in paradise
Sing it one more time Willie, hey yeah

I'm feeling mighty fine, baby
I've got some good music on my radio
I said Jessie, I'm feeling mighty fine, baby
I've got some good music on my radio

And I'm gonna kiss you right here
While you're standing beneath the mistletoe

Merry Christmas, baby

Oh, I'm feeling, I'm feeling, feeling mighty fine, yeah
I've got good music on my radio
Oh, I'm feeling mighty fine, baby
I've got good music on my radio

And I'm gonna kiss you, baby
While you're standing, standing beneath the mistletoe

I said merry Christmas, baby
You sure did treat me nice
I said merry, merry, merry Christmas, baby
You know you really, really treat me nice, oh yeah

For the things that you give me
Feels like I'm living in paradise, hey yeah, yeah, yeah

Merry Christmas, baby
You sure did treat me nice
Well, I said merry Christmas, baby
