Still Don't Stop Me

Jessica Simpson

I'd like to tell myself
If you show up tonight
I'd tell you to go to hell
And get it on with my life
I'd just walk away without a fight
Without one tear falling from my eye
I'd like to think that's what I would do
Yeah I know that's what I should do

But still don't stop me
Yeah it still gonna change the truth
That baby you got me
And I can't let go of you
I know if I let you back in
It's the same damn thing all over again
You'll just hurt me, you'll just hurt me
But still don't stop me

I tried to tell myself that
I'm better off alone
I pulled all of your pictures down
I took your number off my phone
I know that it's wrong
And the pieces don't fit
Loving you baby will never make sense
And I know I'm crazy for letting you make me cry

But still don't stop me
Yeah it still gonna change the truth
That baby you got me
And I can't let go of you
I know if I let you back in
It's the same damn thing all over again
You'll just hurt me, you'll just hurt me
But still don't stop me

Oh still don't stop me
Yeah still don't change the truth
Baby you got me
And I can't let go of you
I know if I let you back in
It's the same damn thing all over again
You'll just hurt me, you'll just hurt me
Oh you gonna hurt me
You'll just hurt me
But still don't stop me
Still don't stop me
