

Feel Like Making Love

J Sutta

Are we there yet?
Are we at the point where we don't wanna speak?
Are you comfortable sleeping alone?
Do you not think of me?

Maybe you can't get past
How bad I hurt you deep
Maybe you finally found your peace
But...

But if you ever feel like making love
Don't you hesitate, to call me up
If you ever feel like making love
Even if you don't want to make up
I won't change my number babe, stay in touch
If you ever feel like making love
If you ever feel like making love
If you ever feel like making love

Are you scared yet?
Afraid of your lonely heartbeat?
Are you ready to pick up the phone?
Even if it's only to hear me breathe?

I know that I was wrong
I know I hurt you deep
Maybe you're okay without me
But!

But if you ever feel like making love
Don't you hesitate, to call me up
If you ever feel like making love
Even if you don't want to make up
I won't change my number babe, stay in touch
If you ever feel like making love
If you ever feel like making love
If you ever feel like making love

I'm just hopin'
That I haven't lost all your trust
Because it's hard for us, to do this thing alone
Sometimes I don't wanna be, on my own!

But if you ever feel like making love
Don't you hesitate, to call me up
If you ever feel like making love
Even if you don't want to make up
I won't change my number babe, stay in touch
If you ever feel like making love
If you ever feel like making love
