

# Show Me

J Sutta

Say, say what you wanna say, say  
Tell it to me every day, day  
But if you don't show me  
Words, words all they are is words, words  
Stupid poetry and first, first do you even know me

But first thing that I saw in your eyes  
Did you mean, was it all your lies, all your lies About, about have you ever  
thought  
About how this is supposed to go (Yeah)  
To do you know, do you know

Love is not a gimme, gimme  
If you really with me you gotta  
Show me, show me  
Show me, show me  
Tell it to me with your mouth  
But when it all comes down  
You gotta show me, show me  
Show me, show me

If you say it feels right say it to me all night  
I don't think you understand  
Love is not a gimmie, gimmie  
If you really with me you gotta  
Show me, show me  
Show me, sho-show me  
Show me love

Eyes, eyes open up your eyes, eyes  
Don't hide what you got inside, inside  
If you wanna know me  
Hey, hey I'm not gonna stay, stay  
Keep it with you night and day, day  
No if you don't show me

Everything hidden in your heart  
All your feels every single part, single part  
About, about have you ever thought  
About how this is supposed to go (Yeah)  
To do you know, do you know

Love is not a gimme, gimme  
If you really with me you gotta  
Show me, show me  
Show me, show me  
Tell it to me with your mouth  
But when it all comes down  
You gotta show me, show me  
Show me, show me

If you say it feels right say it to me all night  
I don't think you understand  
Love is not a gimmie, gimmie  
If you really with me you gotta  
Show me, show me  
Show me, sho-show me

Love, Show me love  
Love, Show me love  
Sho-show me

Everything you've got  
Is everything you need  
Everything you want  
Is inside of me

Love is not a gimme, gimme  
If you really with me you gotta  
Show me, show me  
Yeaaaah  
Tell it to me with your mouth  
But when it all comes down  
You gotta show me, show me  
Show me, show me

If you say it feels right say it to me all night  
I don't think you understand  
Love is not a gimmie gimmie  
If you really with me you gotta  
Show me, show me  
Show me, sho-show me  
Love, Show me love  
Love, Show me love  
Love, Show me love
