Mmm, yeah Hey

I know it's only been a little while Baby, I really need to see your smile Feels like forever when I'm away from you Let me tell you what I'm gonna do

Oh, oh, oh Oh, oh, oh

I'm coming home, gonna give you what you want Cause I need your love, I don't wanna be alone I'm gonna fly to you, just like I always do I'm lost without you, you know I'm coming home
I'm coming home, yeah

Baby, you can keep me up all night A pillow tucked in by the candlelight No need to tell you, you already know What to do and where to go

Oh, oh, oh Oh, oh, oh

I'm coming home, gonna give you what you want Cause I need your love, I don't wanna be alone I'm gonna fly to you, just like I always do I'm lost without you, you know I'm coming home
I'm coming home, yeah

Just need to see your face Can't waste another day There's nothing left to say Just take my breath away Oh

I'm coming home, gonna give you what you want
Cause I need your love, I don't wanna be alone
I'm gonna fly to you, just like I always do
I'm lost without you, you know
I'm coming home
Mmm, yeah
I'm coming home
I'm coming home, yeah
