

# Roof

Jessie Reyez

I could, mmm, yeah

I could drive a Benz  
But I'm still in my old-ass Honda  
Cocky's in a coma  
But I got my commas  
It be skinny dudes  
Packin' those anacondas  
I might be petite  
But I'm a fuckin' monster

Everything I do hits the roof  
My city's on the moon  
Fuck a toque, no cap, I'm outtie  
Everything I fear's on a noose  
I ain't got nothing to lose  
Two twos, I'm outtie

Everything I do hits the roof  
My city's on the moon  
Fuck a toque, no cap, I'm outtie  
Everything I fear's on a noose  
I ain't got nothing to lose  
Two twos, I'm outtie

Some girls say, "You lucky I don't want your man"  
But the truth is  
Boy you lucky I don't want your plan  
Because blueprint, and blonded, good kid mad city  
Got love for Amy and Fugees, and Lauryn  
But no fuckin' pinche cabron, let's get it

Seein' every color like tie-dye is  
Never really ever had a high like this  
Tryna keep my head up and avoid minus  
No negative I'm just tryin' to mind my biz  
Titties still small, nails not done  
Hair not done and my teeth ain't fixed  
But your man, your mom, your sis  
Your favorite artist, all of them love my shit  
Why? I'm different, you're different, we're different  
Two heads different, are you listenin'?

Everything I do hits the roof  
My city's on the moon  
Fuck a toque, no cap, I'm outtie  
Everything I fear's on a noose  
I ain't got nothing to lose  
Two twos, I'm outtie

Everything I do hits the roof  
My city's on the moon  
Fuck a toque, no cap, I'm outtie  
Everything I fear's on a noose  
I ain't got nothing to lose  
Two twos, I'm outtie
