

# Alone

Jessie Ware

Oh oh oh oooh, oh oh oh oooh  
Take the weight off my shoulders  
See, I won't make the same mistakes when we're older  
'Cause with every step you take I'm getting colder  
So come a little closer, just come a little closer

I don't want somebody else to call my name  
No, I don't want somebody else when you could just say

Say that you're the one who's taking me home  
'Cause I want you on my skin and my bones  
Knocking me off my feet  
Just say I'm the one that you need (oh, please)  
Say that you're the one who's taking me home  
So I can get you alone  
Oh oh oh oooh, oh oh oh oooh  
Oh oh oh oooh, oh oh oh oooh

Just wanna talk a little longer  
So baby won't you wanna stay a little later?  
'Cause I could watch you watch me forever  
'Cause I know you better  
And you know I never

I never need somebody else to call my name  
No, I don't want somebody else when you could just say

Say that you're the one who's taking me home  
'Cause I want you on my skin and my bones  
Knocking me off my feet  
Just say I'm the one that you need (oh, please)  
Say that you're the one who's taking me home  
So I can get you alone  
Oh oh oh oooh, oh oh oh oooh  
Oh oh oh oooh, oh oh oh oooh

I don't need somebody else to call my name  
No, I don't need somebody else to make me stay  
I don't never need to walk away  
You could just say, you could just say

Say that you're the one who's taking me home (me home)  
'Cause I want you on my skin and my bones (my bones)  
Knocking me off my feet  
Just say I'm the one that you need (oh, please)  
Say that you're the one who's taking me home  
So I can get you alone  
Oh oh oh oooh  
Alone (can get you, can get you)  
Oh oh oh oooh  
Alone (can get you, can get you)  
Oh oh oh oooh  
So I can get you alone
