

# Desire

Jessie Ware

(Ooh, ooh)  
(Ooh-ooh-ooh)  
(Ooh, ooh)

You're my desire  
And this, I've always known  
You've been admired  
And do you see me glow?

And Take me as I am  
Take me as I am  
Don't want to be left alone  
And take me in your arms  
Take me in your hands  
Love me like we used to know

And I see it  
And I feel it now  
That I want you  
That I need you  
My desire, desire (ooh)  
My desire

We stick together  
From a kiss I met before  
And blindly your lover  
It's a curse I still adore

And Take me as I am  
Take me as I am  
Don't want to be left alone  
And take me in your arms  
Take me in your hands  
Love me like we used to know

And I see it  
And I feel it now  
That I want you  
That I need you  
My desire, desire (ooh)  
My desire

My, my-my-my, my-my-my  
My desire  
And I need you, oh-ohh  
And I need you, oh-ohh  
And I need you, oh-ohh  
And I need you, oh-ohh
