

In Your Eyes

Jessie Ware

There were butterflies moving in the light
They were justified every single time
Every time you looked, they were justified

You were here before, then you go away
But I never left, I feel just the same
What I wanna know, did something change?

'Cause I can hardly breathe
I'm feeling like I wanna be free
From feeling this pleasure and the pain
But it never goes away
'Cause it's harder to see
When you're giving me every look I need
I live again
Don't wanna be saved
But what I'm trying to say is that

It feels like
We've been dancing to this song all of our lives
And when you're here, I leave the world behind
But I'm not trying to fight it
I'll just keep on dancing in your eyes
In your eyes

When the music stops, when it's time to leave
Would you walk away? Would you follow me
With no guarantee?
'Cause I'm not afraid

'Cause I can hardly breathe
I'm feeling like I wanna be free
From feeling this pleasure and the pain
But it never goes away
'Cause it's harder to see
When you're giving me every look I need
I live again
Don't wanna be saved
But what I'm trying to say is that

It feels like
We've been dancing to this song all of our lives
And when you're here, I leave the world behind
But I'm not trying to fight it
I'll just keep on dancing in your eyes (In your eyes)
Dancing in your eyes (In your eyes)
Dancing in your eyes (It's harder to see) (In your eyes)
Dancing in your eyes (Don't wanna be saved) (In your eyes)
What I'm trying to say is that

It feels like
We've been dancing to this song all of our lives
And when you're here, I leave the world behind
But I'm not trying to fight it
I'll just keep on dancing

And it feels, feels like

We've been dancing to this song all of our lives
And when you're here, I leave the world behind
But I'm not trying to fight it
I'll just keep on dancing in your eyes (In your eyes)
Dancing in your eyes (In your eyes)
(Dancing in your eyes, in your eyes)
(In your eyes)
(In your eyes)
(In your eyes)
(In your eyes)
(In your eyes)
