

# Mirage (Don't Stop)

Jessie Ware

Last night we danced  
And I thought you were saving my life  
Caught in the haze  
Of the moon and the break of the light

I know what I want  
You can do what you want  
I know I said it before  
But you can do what you want

Last night we danced  
And I thought you were saving my life  
Ah-ah-ah-ah

You asked, "Are you here on your own?"  
I said, "Only tonight"  
Before you could say anymore  
I just looked in your eyes  
Ah-ah-ah-ah

I said I'll do what I want  
You can do what you want  
I know I've said it before  
But you can do what you want

Last night we danced  
And I thought you were saving my life  
Ah-ah-ah-ah

Sometimes I see you in my dreams  
You are the only fantasy  
I see

Don't stop moving together  
Don't stop moving together  
Don't stop moving together  
Keep on dancing  
Don't stop moving together  
Don't stop moving together  
Don't stop moving together  
Keep on dancing

Last night we danced  
With the moon and the break of the light  
Caught in the haze  
I just wanna be lost in your eyes

I said I'll do what I want  
You can do what you want  
I know I've said it before  
But you can do what you want

Sometimes I see you in my dreams  
You are the only fantasy  
I see

Don't stop moving together

Don't stop moving together  
Don't stop moving together  
Keep on dancing  
Don't stop moving together  
Don't stop moving together  
Don't stop moving together  
Keep on dancing  
Don't stop moving together  
Don't stop moving together  
Don't stop moving together  
Keep on dancing  
Don't stop moving together  
Don't stop moving together  
Don't stop moving together  
Keep on dancing
