

## Center of Your Love

Jesus Culture

Skies are raging the ground is shaking  
I'm not giving way, the clouds will part again  
You are sovereign, Lord above the storm  
I'm not worried, You're right here through it all

I know You are for me, I know You are with me  
The God of more than enough is living inside me  
I know You are for me, I know You are with me  
The God of more than enough is living inside me

When I'm helpless I can trust that  
You won't pull back, You're staying through the end  
When I draw near grace fills the atmosphere  
Your steadfast presence surrounds me once again  
Surrounds me once again

I know You are for me, I know You are with me  
The God of more than enough is living inside me  
I know You are for me, I know You are with me  
The God of more than enough is living inside me

You're always on my side  
I know and I can trust You  
You're always, always on my side  
Oh, when the storm is raging  
You don't change, You don't move, You hold steady  
You're the rock I cling to, Jesus  
And when my feet are weary  
You're the love that carries me, You're the love that carries me  
When I can't find the words to speak  
You're the voice that stirs up inside of me  
You're alive inside of me  
Lord, when my heart is failing  
You're the fire that roars to life inside of me  
You roar to life inside of me, God  
Oh, thank You, thank You for being such a good Father  
For being such a good Father  
For being the voice that calls me out, that draws me out  
Thank You for being the one that says  
"I know you have it in you, 'cause I'm alive inside you"  
Thank You for being such a good Father  
It just makes me want to worship, just makes me want to worship  
Give You all that I am, give You all that I am, Jesus  
Hold nothing back from You, hold nothing back from You  
I want to pour out my heart to You, I want to pour out my heart to You, Jesus  
Sing every song for You, Jesus, dance every dance for You, Jesus  
Lift up my hands to You, Jesus  
Oh, You're such a good father, You're such a good Father  
You're such a good Father  
Oh to find me, to save me, to know me, just to love me  
Thank You, Jesus, thank You, Jesus  
Oh-oh-ooh...

Oh-oh-ohh-oooh, oh-ohh-oooh-ooooh  
I'm made for the center of Your love  
Oh-oh-ohh-oooh, oh-ohh-oooh-ooooh

I'm made for the center of Your love  
Oh-ohh-oooh-oooooh, oh-ohh-oooh-oooooh  
I'm made for the center of Your love  
Oh-oh-ohh-oooh, oh-ohh-oooh-oooooh  
I'm made for the center of Your love

I know You are for me, I know You are with me  
The God of more than enough is living inside me  
I know You are for me, I know You are with me  
The God of more than enough is living inside me

Thank You, thank You, thank You  
Tell Him tonight, thank You, Jesus  
Thank You, thank You; thank You, Jesus

I know You are for me, I know You are with me  
The God of more than enough is living inside me  
I know You are for me, I know You are with me  
The God of more than enough is living inside me

Thank You, thank You, Jesus  
Come on just for a moment, just say it right here  
In your own words, just tell Him "Thank You", thank You  
And You're with me, You will never leave me  
You'll never leave me, Jesus  
Oh-oh-ohh-oooh, You're such a good Father  
You don't disappoint, You never fail me  
Never let me down, You don't miss a thing

I know You are for me, I know You are with me  
The God of more than enough is living inside me  
I know You are for me, I know You are with me  
The God of more than enough is living inside me
