

How Amazing

Jesus Culture

Where I saw death, there You saw life
And You ran to my rescue
Can't wrap my head around the cross
How far You would go for me

The sacrifice, it cut so deep
Your wounds are my healing
And mercy's cry, so bittersweet
The sound brings me to my knees

Oh, how amazing, Your love came pouring out
Oh, how amazing, the grace that I have found
I'm lost in wonder, here I am, undone
Oh, how amazing, how amazing... this love

Where I felt lost, You called me found
Embraced in the Savior
I'm not the same, I'll never be
Your love changed my destiny

Oh, how amazing, Your love came pouring out
Oh, how amazing, the grace that I have found
I'm lost in wonder, here I am, undone
Oh, how amazing, how amazing...

Oh, the heights, the depths, of Your great love
At the cross, it was finished, Your mercy won
Your scars reflect my healing, I stand redeemed
The weight of sin is lifted, I'm running free

Oh, how amazing, Your love came pouring out
Oh, how amazing, the grace that I have found
I'm lost in wonder, here I am, undone
Oh, how amazing, how amazing...
Oh, how amazing, Your love came pouring out
Oh, how amazing, the grace that... I have found
I'm lost in wonder, here I am, undone
Oh, how amazing, how amazing...

Oh, how amazing, Your love came pouring out
Oh, You poured it out for me, Jesus
Oh, You poured Your love out for me, Jesus
Oh, the sacrifice for me, Jesus
[?] overwhelmed, Jesus
At the gift You gave, the life You gave for me, Jesus
It's that love, that changed my destiny
It's that love that changed my destiny
Oh, it's a love that found me
It's a love that found me
It's a love that called my name, that draws me out
Oh, You're the love that found me
Jesus, oh, You changed
You changed the course of my life
You changed the course of my life
Stopped me dead in the tracks and said
"Come, follow me," "Come, follow me"
You changed my life, such amazing love

There's no regret at surrendering all to You, Jesus
Oh, there's no regret in giving You my all
Holding nothing back, for Jesus
A love completely poured out
Completely poured out
Completely poured out
Completely poured out
Let me pour out my life, Jesus
Let me pour out my life to You, Jesus
'Cause You gave it all
You gave it all for me, yeah

Oh, the heights, the depths, of Your great love
At the cross, it was finished, Your mercy won
Your scars reflect my healing, I stand redeemed
The weight of sin is lifted, I'm running free

Oh, how amazing, Your love came pouring out
Oh, how amazing, the grace that I have found
I'm lost in wonder, here I am, undone
Oh, how amazing, how amazing...

Oh, how amazing, Your love came pouring out
Oh, how amazing, the grace that I have found
I'm lost in wonder, here I am, undone
Oh, how amazing, how amazing...
Oh, how amazing, how amazing... this love
