

I Won't Settle

Jesus Culture

What do I look like
What do You see
What are the things that You are dreaming about me

Visions of glory
I'm starting to see
Lord let the things You've dreamed become reality

I won't settle
I won't settle for anything less
And I will hold on
I will hold on for greater things

What do I look like
What do You see
What are the things that You are calling out in me

The light of Your Kingdom
Is burning in me
Lord let the things You've seen become reality

Mark me as Yours
Set me apart
I want everything
All that You are
