Jesus Culture

Lord we come to You
Come to You (oh)
With our hearts wide open
With our hands wide open
All our love, wide open
Open for You, open for You

Where else would we go, what would we do, who would we turn to
For we know that You hold, Words of life So we come to You

With our hearts wide open
With our hands wide open
All our love, wide open
Open for You, open for You

Just as we are we come with open hands and open hearts
