

## A Little Bit More

Jill Johnson

When your body's had enough of me  
And I'm layin flat out on the floor  
When you think I've loved you all I can  
I'm gonna love you a little bit more

Come on over here and lay by my side  
I've got to be touchin you  
Let me rub your tired shoulders  
The way I used to do  
Look into my eyes and give me that smile  
The one that always turns me on  
And let me take my hair down  
Cause we're stayin up to greet the sun

And when your body's had enough of me  
And I'm layin flat out on the floor  
When you think I've loved you all I can  
I'm gonna love you a little bit more

Got to say a few things that have been on my mind  
And you know where my mind has been  
I guess I learned my lessons  
And now's the time to begin  
So if you're feelin alright and you're ready for me  
I know that I'm ready for you  
We better get it on now  
Cause we got a whole life to live through

And when your body's had enough of me  
And I'm layin flat on the floor  
When you think I've loved you all I can  
I'm gonna love you a little bit more

And when your body's had enough of me  
And I'm layin flat on the floor  
When you think I've loved you all I can  
I'm gonna love you a little bit more
