

In One Piece

Jill Johnson

It'll be a mess in the morning
What's left of us laying all around
The sun will come up and dry my tears
The candles will be all burned down

You'll be on the road to somewhere
I'll be fighting through the day
Oh, I know I have to let you go
But before you walk away

Just for tonight
Help me hold on
Keep me together
'Cause I'm not that strong
If you have a heart
If you ever loved me
Stay with me please
So I don't fall apart in one piece

Nobody needs to see this
We'll keep it to ourselves
I hate to put you through this
I just need a little help

Just for tonight
Help me hold on
Keep me together
'Cause I'm not that strong
If you have a heart
If you ever loved me
Stay with me please
Oh I don't fall apart in one piece

I'll break down, I'll shatter,
Oh but I won't try to change your mind

Just for tonight
Help me hold on
Keep me together
'Cause I'm not that strong
If you have a heart
If you ever loved me
Stay with me please
I don't fall apart in one piece.
