

# Nobody's Gettin' Out Of This Love Alive

Jill Johnson

We've walked across broken glass  
We've got the scars to prove it  
The kind of fire we both have  
Don't know how we do it

We've tried to be together  
and we've tried to be apart  
There's no way around it,  
we're two halves of one heart

You'll never get over me, I'll never get over you  
It ain't always easy but it's all we know to do  
And the truth is right here in each other's eyes  
Nobody's getting out of this love alive

You're gonna be the death of me  
I say it all the time  
Sometimes I say it laughing  
Sometimes I say it crying

It's tender when it's quiet,  
it's hones when it's loud  
sometime it's hell to live with,  
but there'd be no living without

You'll never get over me, I'll never get over you  
It ain't always easy but it's all we know to do  
And the truth is right here in each other's eyes  
Nobody's getting out of this love alive

ooooh  
You'll never get over me, I'll never get over you

ooooh  
I'll never get over you, you'll never get over me

Nobody's getting out of this love alive
