

Back Together

Jill Scott

Pieces of me were scattered
Blowing in the cold
In different directions...hmm
Truth, truth, truth be told
Oh, then I looked into your eyes
Everything felt like it could be alright

You went and put me back together
Back together again

Going through heartache...aww
You know I think I lost my mind for a time
And couldn't get better
Couldn't get no better
No matter, no matter how hard I tried
Then I, I looked into your eyes
And everything felt like it could be alright

You went and put me back together
You went and put me back together
Back together again
Somebody sang
Put me back together again
Somebody sing...hey...hey, hey, hey, hey yeah
Put me back together again
Surely did...oh!

Now I'm walking in the sunshine
And everything feels so right

You went and put me right back together
Put me right back together
Baby look at what you did
Oh, ay
You did it
Back together again
Back together again
Back together ooo, again
And I feel like I'm walking on air, baby
Thank you
