

Beautiful Love

Jill Scott

Fireflies are lighting up the night air
Our dance to a new a new moon's tune
The scent of your cologne, won't leave me alone
Eight phases to a lunar cycle
This is the time, this is the night to

Make beautiful love
Beautiful love, mmm
Couldn't be more perfect if we planned it
Hand in hand we walk, so romantic

Aw baby, there's no place I'd rather be
Than your chocolate-covered coated honey d
And baby, making love, just ain't making love to me, no

Couldn't be more perfect if we planned it
Wouldn't change a thing, this is magic

Make beautiful love
(Make beautiful) Beautiful love
Baby, I just love your beautiful...
Couldn't be more perfect if we planned it
Wouldn't change a thing, (this is magic)

Tonight I feel the glow
Two universes under one love, feels so spiritual
What you are to me is all time
Oh, and we both know...

Couldn't be more perfect if we planned it
Wouldn't change a thing, (this is magic)
(Magic)
Baby, I just love your beautiful....
Couldn't be more perfect if we planned it
Wouldn't change a thing, (this is magic)
Tonight I feel the glow
Make beautiful...
Feels so spiritual
Oh and we both know
(Couldn't be more perfect perfect, perfect
Perfect)
