

Basset Hound

Jillette Johnson

I wanna follow you around
Like a dog, like a dog, like a basset hound
I wanna feel you everywhere
Like the wind, like the wind, and away you spin

I got my tongue in a knot
I got a paper cut heart
And it stings, baby, stings
From your lemonade love
Love me or love me not
I am under the wheels of your juggernaut

I wanna follow you around
Like a dog, like a dog, like a basset hound
I wanna feel you, sticks and stones
In my lungs, in my veins, in my splintered bones

I got my tongue in a knot
I got a paper cut heart
And it stings, baby, stings
From your lemonade love
Love me or love me not
I'm an innocent soul in your witching pot

While you play games, I'll be at your game, baby
Watching from a stone's throw away
I can wait, I can wait

I wanna follow you around
Like a dog, like a dog, like a basset hound
I wanna come in from the cold
I'm a stray running 'way, I'm in starving mode

I got my tongue in a knot
I got a paper cut heart
And it stings, baby, stings
From your lemonade love
Love me or love me not
You're my great white hope and you're all I've got

While you play games, I'll be at your game, baby
Watching from a stone's throw away, baby
Wondering how long it's gonna take
I can wait, I can wait

I wanna follow you around
Like a dog, like a dog, like a basset hound
Til they bury me in hallowed ground
