

I'm Sorry

Jillette Johnson

I'm sorry
That's what I am, sorrier than I've ever been before
Never again will I try to win your affection

It can't be done
I'll play a game that can't be won

I got the taste of rejection and I can't get it out
Now I don't come easy anymore
I've never been so sorry

Not like before, not like i did
I never win this war
Why even try?
I died to win your affection

It can't be done
I'll play a game that can't be won

I got the taste of rejection and I can't get it out
Now I don't come easy anymore
I've never been so sorry

I've never been so eager to win
I'm sorry
I've never been so eager to win anything
I can't get none

It can't be done
I'll play a game that can't be won

I got the taste of rejection and I can't get it out
Now I don't come easy anymore
I've never been so sorry

So sorry
So sorry
