

Thumbelina

Jillette Johnson

Listen to the sound of my voice
You only get one more chance
It's up to you to make a choice
It's time you took a stance

I'm not gonna let you ruin me for every other man
And twirl me in the palm of your hand
I'm not Thumbelina, I am not your ballerina
You are not going to make me dance for you anymore
Feels like I'm talking to a wall
Of all the stars in the sky
I could have anybody

Don't you see them last
Everywhere we go
Do you really think it's just
You and me and a Bible

I'm not gonna let you ruin me for every other man
And twirl me in the palm of your hand
I'm not Thumbelina, I am not your ballerina
You are not going to make me dance for you anymore
Feels like I'm talking to a wall
Of all the stars in the sky
I could have anybody

I'm not gonna let you ruin me for every other man
And twirl me in the palm of your hand
I'm not Thumbelina, I am not your ballerina
You are not going to make me dance for you anymore
Feels like I'm talking to a wall
Of all the stars in the sky
I could have anybody
