

What Would Jesus Do

Jillette Johnson

I'm no doctor, I'm no lawyer
Who am I to judge you
Boy you're gonna do what you wanna
Do whatever you were gonna
I'm no angel anyway myself

I hope whatever way you cope that it eases you
Whether you're foraging for dope under the highway
I hope you never give up hope
What would Jesus do
I don't know, but I know he wouldn't do it my way

Life is hard, love is cruel
Do what you have to do
What that is I don't care
It's a hard world out there
I'm no angel anyway myself

I hope whatever way you cope that it eases you
Whether you're foraging for dope under the highway
I hope you never give up hope
What would Jesus do
I don't know, but I know he wouldn't do it my way

Even if the sky fell out
You could say holy shit and somebody would tell you watch your mouth

I hope whatever way you cope that it eases you
Whether you're foraging for dope under the highway
I hope you never give up hope
What would Jesus do
I don't know, but I know he wouldn't do it my way
