

## Lean on Me

Jillian Edwards

Sometimes in our lives  
We all have fate, we all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me when you're not strong  
And I'll be your friend  
I'll help you carry on for it won't be long  
Till I'm gonna need somebody to lean on

Please swallow your pride  
If there are things you need to borrow  
For no one can fill  
Those of your needs that you won't let show

Lean on me when you're not strong  
And I'll be your friend  
I'll help you carry on for it won't be long  
Till I'm gonna need somebody to lean on

You just call on me brother  
When you need a hand (We all need somebody)  
I just might have a problem  
That you'd understand (We all need somebody)  
You just call on me brother  
When you need a hand (We all need somebody)  
I just might have a problem  
That you'd understand  
We all need somebody to lean on

Lean on me when you're not strong  
And I'll be your friend  
I'll help you carry on for it won't be long  
Till I'm gonna need somebody to lean on  
Somebody to lean on
