

Beautiful

Jim Brickman

From the moment I saw you
From the moment I looked into your eyes
There was something about you, I knew
I knew, that you were once in a lifetime
A treasure near impossible to find
And I know how lucky I am to have you

Cause I've seen rainbows that could take your breath away
The beauty of the setting sun that ends a perfect day
And when it comes to shooting stars, I've seen a few
But I've never seen anything as beautiful as you

Holding you in my arms
No one else has fit so perfectly
I could dance forever with you, with you
And at the stroke of midnight
Please forgive me if I can't let go
'Cause I never dreamed I'd find a Cinderella of my own

Cause I've seen rainbows that could take your breath away
The beauty of the setting sun that ends a perfect day
And when it comes to shooting stars, I've seen a few
But I've never seen anything as beautiful as you

Cause I've seen rainbows that could take your breath away
The beauty of the setting sun that ends a perfect day
And when it comes to shooting stars, I've seen a few
But I've never seen anything... Oh, Oh, Oh
No, I've never seen anything... as beautiful as you

From the moment I saw you
From the moment I looked into your eyes...
