

Healing Hands Of Time

Jim Ed Brown

They're working while I'm missing you
Those healing hands of time
And soon soon they'll be dismissing you
From this heart of mine
They'll lead me safely through the night
And I'll follow as though blind
My future tightly clutched within
Those healing hands of time
They let me close my eyes just then
Those healing hands of time
And soon they'll let me sleep again
Those healing hands of time
So already I've reached mountain peaks
And I've just begun to climb
I'll get over you by clinging to
Those healing hands of time
Yes I'll get over you by clinging to
Those healing hands of time
