Healing Hands Of Time

Jim Ed Brown

They're working while I'm missing you Those healing hands of time And soon soon they'll be dismissing you From this heart of mine They'll lead me safely through the night And I'll follow as though blind My future tightly clutched within Those healing hands of time They let me close my eyes just then Those healing hands of time And soon they'll let me sleep again Those healing hands of time So already I've reached mountain peaks And I've just begun to climb I'll get over you by clinging to Those healing hands of time Yes I'll get over you by clinging to Those healing hands of time
