

Lost Boys And Golden Girls

Jim Steinman

Lost boys and golden girls, down on the corner and all around t
he world
Lost boys and golden girls
Down on the corner and all around, all around the worldIt doesn
't matter where they're going, or wherever they've been
'Cause they got one thing in common it's true
They'll never let a night like tonight go to waste
And let me tell you something, neither will you, neither will y
ou
We gotta be fast, we were born out of time, born out of time an
d alone
And we'll never be as young as we are right now
Running away and running for home, running for home
Lost boys and golden girls, down on the corner and all around t
he world
Lost boys and golden girls
Down on the corner and all around, and all around the world
