

Bounce

Jimi Blue

Hey, you know I was gone for a while
What's going on, get prepared, yeah

Yeah, I spit rhymes in your face, big time
I'm on the peak of a mountain you can't climb
Hit the headlines, got my blind sight
Time's right to make the haters turn white
Gotta get rid of these ask hers and wimps
Which means the rest of us can come up with tricks
I'm like an A strike, I like to take a stroll
Make you go whoa, want some more?

If you feeling sexy
Now it's time to get busy
To refer to my plan
JB is back for the second attack

Bounce, I'm gonna make you bounce
Shake your body, bounce
Let me see you
Put up your hands and scream, let's go
Bounce, I'm gonna make you bounce
Shake your booty, bounce
Let me see you
Bounce, bounce, bounce, bounce

Just grab somebody who is hot and hit the floor
And if you gotta tell off, you're ready to go
Are you ready to go, are you ready to go

I don't need no bling bling, change of rings
These fancy things to feel like a king
As long as you get down like this
The only thing I miss
Is I miss those true to mister J.Blue
Gotta get with it, this V.I.P
Bitches looking for a cutielicious
Find More lyrics at www.sweetslyrics.com
Chick wishes, wide ambitious
Like Hitch, A.K.A Will Smith
Trying to find his little princess

If you feeling sexy
Now it's time to get busy
To refer to my plan
JB is back for the second attack

Bounce, I'm gonna make you bounce
Shake your body, bounce
Let me see you
Put up your hands and scream, let's go
Bounce, I'm gonna make you bounce
Shake your booty, bounce
Let me see you
Bounce, bounce, bounce, bounce

Just grab somebody who is hot and hit the floor

And if you gotta tell off, you're ready to go
Are you ready to go, are you ready to go

Hey, if you feeling sexy, yeah
Then come closer, bring it on
Yeah, are you ready to go?
Yeah, just you and me
You know, let's bounce

Bounce, I'm gonna make you bounce
Shake your body, bounce
Let me see you
Put up your hands and scream, let's go
Bounce, I'm gonna make you bounce
Shake your booty, bounce
Let me see you
Bounce, bounce, bounce, bounce

Just grab somebody who is hot and hit the floor
Hit the floor, hit the floor
And if you gotta tell off, you're ready to go
Are you ready to go, are you ready to go
