I'm gonna rock this party, make it hot for u
I know that u like what u see and it's true
I'm a pretty fly guy and they call me Jimi Blue

So u wanna be me, wanna flow like me, wanna get in ths game
U betta work a lil hard, cause you're looking kinda lame
Cause no one can do it like the way i do
And if u didn't know, there's only one Jimi Blue

Girls always chase me and I'm always on the run
I have a very busy life and I'm just trying tp have, oh huh
I wanna be free, I wanna be me, I wanna rock the show
And if u didn't get it, well I'm good to go, yeah yeah
