

Wild Thing

Jimi Hendrix

Come on now, come on man sing it with me

Wild thing, you make my heart sing

Oh

You make a everything, groovy

Wild thing

Wild thing I think you move me

But I wanna know for sure

Come on and sock it to me one more time

You move me

Wild thing, you make my heart sing

Oh

You make a everything, groovy

A sing again, wild thing

Yeah

Wild thing I think you move me

But I wanna know for sure

Come on and sock it to me one more time again

Oh shucks I love ya

Wild thing, you make my heart sing

You make a everything, groovy

Yeah wild thing, yeah wild thing

Yeah yeah, wild thing

Yeah yeah yeah, wild thing

Oh sock it to me, wild thing
