

# No Regrets

Jimmy Barnes

(I've no regrets)  
No regrets, no regrets  
I'm living a life that I chose  
(I've no regrets)  
Been a lotta places, oh, yeah  
And seen a lotta things  
(I've no regrets)  
Even when I'm sad  
You still can hear me sing

If it should be, I say  
That he called me today  
Well, I've no regrets  
For this life I live

(I've no regrets)  
No regrets, no regrets  
I'm living a life that I chose  
(I've no regrets)  
Been a lotta places, oh, yeah  
And seen a lotta things  
(I've no regrets)  
Even when I'm sad  
You still can hear me sing

If it should be, I say  
That he called me today  
Well, I've no regrets  
For this life I live

(No regrets, no regrets)  
(No regrets, no regrets)...

Got a good woman  
Good loving  
Yeah, yeah, yeah

Well, I'm so happy  
I wanna shout

(I've no regrets)  
No regrets, no regrets  
I'm living a life that I chose  
(I've no regrets)  
Been a lotta places, oh, yeah  
And seen a lotta things  
(I've no regrets)  
Even when I'm sad  
You still can hear me sing

If it should be, I say  
That he called me today  
Well, I've no regrets  
For this life I live
