

Stone Cold

Jimmy Barnes

Ooh..., ooh-ooh-ooh-ooh-ooh

Mmm-mmm-mmm

I get home, I found you sleepi-i-i-in'

I said the wor-ords, know are true-ue-ue-ue

And I'm sto-o-o-one

Stone co-old in love with you-ou-ou-ou, oh-oh-oh-oh

You don't have to turn the light o-o-o-on

Ain't had more than just a few-ew-ew-ew

And I'm sto-o-o-one

I'm stone co-old in love with you-ou, oh-oh-oh

You don't have to wonder why-y-y now-ow

Look at all the thi-ings you've been to me-ee-ee-ee

Built my whole life on the sweet foundation

You've give-e-en, baby you know what I mea-ea-ean

I-I-I-I-I-I-I-I left my friends back in the poo-oo-oolroom

They'll still be drownin' out the blue-ue-ue-ues

I'm sto-o-o-one

I'm stone co-o-old in love with you-ou-ou, oh-oh-oh

You don't ha-ave to wonder why-y-y-y-y

Look at all the things you've bee-ee-eeen

My heart lies on the sweet foundation

You've give-e-e-en, baby you know what I mea-ea-ea-ean

Oh, I see your face below the window-ow-ow-ow

I see the moonlight comin' throu-ou-ou-ough

And I'm sto-o-o-one

I'm stone co-o-old in love with you...ou-ou-ou

Yes I'm sto-o-o-o-o-one

I'm stone cold in love with you-ou-ou, oh-oh-oh-oh-oh-oh...
