

Black Magic

Jimmy Cliff

All the girls on the block knocking in my door
Wanna know what it is make the boys want more?

Is your lover playing on your side?
Says he loves you but he ain't got time
Here's the answer, come and get it
At a night down heights
Smooth like honey

Just to make him sleep
He's still ballin'
Just to help him see what he's been missing
So come and get it, while you still have time
If you're boy's sneezing repeat after me say

Take a sip of my secret potion
I'll make you fall in love
First love it can't be broken
One drop should be enough
For you belong to me
I got the recipe
And it's called black magic (and it's called black magic)

Take a sip of my secret potion
One taste and you'll be mine
There's a spell that can't be broken
It'll keep you up all night
For you belong to me
I got the recipe
And it's called black magic (and it's called black magic)

If you're looking
For Mr. Right
Need a magic
To change him overnight
Here's the answer
Come and get it
While you still got time
If you're boy's sneezing repeat after me say

Take a sip from my secret potion
I'll make you fall in love
First love it can't be broken
One drop should be enough

For you belong to me
