

Gold Digger

Jimmy Cliff

Take good care, and beware
Of the girl I saw you with
'Cause she is a gold digger
She is a gold digger

She tried to dig my gold once
I caught her hands deep down in my pants

Watch your clothes, 'cause she will dig you the most
And put you to bed
'Cause she is a gold digger
She is a gold digger

She tried to dig my gold once
I caught her hands deep down in my pants
Gold digger

Watch your clothes, 'cause she will dig you the most
And put you to bed
'Cause she is a gold digger
She is a gold digger

She tried to dig my gold once
I caught her hands deep down in my pants
