

Peace Officer

Jimmy Cliff

Peace officer... are you a warrior?
Peace officer... are you a warrior?
Why yu carry so much ammunition,
More than an air craft carrier?
Peace officer... are you a warrior?

Peace officer... are you a born one?
Why yu carry so much ammunition for,
More then, be a bar tender?

Got your knife, Got your gun,
Got some blood, tear gas bomb,
Got your dog, got your baton,
Got your whip, Got your whistle,
It is war, to be perfect, honesty
Only tell yourself, that the scene, would won

Peace officer... are you a warrior?
Peace officer... are you a warrior?
Why yu carry so much ammunition,
More than an air craft carrier?
Peace officer... are you a warrior?

What ya gonna do, when there's, no more guns?
What ya gonna do, when there's, no more babys
Peace officer... are you a warrior? [repeat]
