Rebel In Me

If the rebel in me Can touch the rebel in you And the rebel in you Can touch the rebel in me And the rebels we be Is gonna set us free Then it would bring out the rebel Bring out the rebel Bring out the rebel in me

If the lover in you Can touch the lover in me And the lover in me Can touch the lover in you And the lovers we be Will bring sweet harmony Then it would bring out the love Bring out the love Bring out all the love in me

My love is deeper than the ocean Our love is in need of sweet devotion Come on, because you got the potion To bring out the love in me And I would bring out the love in you

Let the lover in you Touch the lover in me And the rebel in me Will touch the rebel in you And the lovers we be Will bring sweet harmony Then it would bring out the love Bring out the love Bring out all the love in us

My love is deeper than the ocean Our love is in need of sweet devotion Come on, because you got the notion To bring out the love in me And I would bring out the love in you

Let the rebel in me Touch the rebel in you And the rebel in you Will touch the rebel in me And the lovers we be Will bring sweet harmony Then it would bring out the love Bring out the love Bring out all the love in us

Bring out the love Said I want to bring out the love Bring out the love Said I want to bring out the love Bring out the love **Jimmy Cliff**

Bring out the love Bring out all the love in me

Bring out the rebel Said I want to bring out the rebel Bring out the rebel Said I want to bring out the rebel
