```
You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at last
Look here
```

Persecution you must bear
Win or lose you've got to get your share
Got your mind set on a dream
You can get it, though harder they seem now

You can get it if you really want You can get it if you really want You can get it if you really want But you must try, try and try Try and try, you'll succeed at last I know it, listen

Rome was not built in a day Opposition will come your way But the hotter the battle you see It's the sweeter the victory, now

You can get it if you really want You can get it if you really want You can get it if you really want But you must try, try and try Try and try, you'll succeed at last

You can get it if you really want You can get it if you really want You can get it if you really want But you must try, try and try Try and try, you'll succeed at last

You can get it if you really want (I know it)
You can get it if you really want (Don't I show it?)
You can get it if you really want (So don't give up now)
You can get it if you really want (Keep on trying)
