

# Hurricane

Jimmy Needham

I have built a city here  
Half with pride and half with fear  
Just wanted a safer place to hide  
I don't want to be safe tonight

[Chorus]

I need You like a hurricane  
Thunder crashing, wind and rain  
To tear my walls down  
I'm only Yours now  
I need you like a burning flame  
A wild fire untamed  
To burn these walls down  
I'm only Yours now  
I'm only Yours now

I am Yours and You are mine  
You know far better than I  
And if destruction's what I need  
Then I'll receive it Lord from Thee  
Yes, I'll receive it Lord from Thee

[Chorus]

And it's Your eye in the storm  
Watching over me  
And it's Your eye in the storm  
Wanting only good for me  
And if You are the war  
Let me be the casualty  
'Til I'm Yours alone  
I am only Yours  
I am Yours alone, Lord

[Chorus]

Come be my hurricane
