

# Mamma Didn't Raise No Fool

Jimmy Needham

Mamma didn't raise no fool  
I can see right through you  
Daddy didn't do half bad too  
So whatcha gonna do  
Cause mamma mamma  
Mamma didn't raise no fool  
No, Mamma didn't raise no fool  
I can see right through you  
Daddy didn't do half bad too  
So whatcha gonna do  
mamma mamma  
Mamma didn't raise no fool

You're just like quicksand  
I took a step and I was sinkin' in  
God pulled me out  
And now I'm onto your plan  
I'm not afraid anymore

You're like a bad date  
You keep on calling like it went great  
That might of worked on me in 8th grade  
But I'm not a kid anymore  
So try it again, I'll be like...

Mamma didn't raise no fool  
I can see right through you  
Daddy didn't do half bad too  
So whatcha gonna do  
Cause mamma mamma  
Mamma didn't raise no fool  
No, Mamma didn't raise no fool  
I can see right through you  
Daddy didn't do half bad too  
So whatcha gonna do  
mamma mamma  
Mamma didn't raise no fool

I got my eyes wide  
I got a crew that's riding by my side  
I got a truth that's changed my whole life  
So I think you're luck has run out

Oh I can see Him  
I can see Him on the mountain  
Oh I can feel it  
I can feel it help is comin'  
Oh I can see Him  
I can see Him on the mountain  
I can see Him so  
You best be leaving

Mamma didn't raise no fool  
I can see right through you  
Daddy didn't do half bad too  
So whatcha gonna do  
Cause mamma mamma

Mamma didn't raise no fool  
No, Mamma didn't raise no fool  
I can see right through you  
Daddy didn't do half bad too  
So whatcha gonna do  
mamma mamma  
Mamma didn't raise no fool
